

Experience

Turbostart | Product Designer Mar 2024 - Present

- Delivered MVPs and scalable design systems for government portals, e-commerce platforms, and B2B tools.
- Conducted user research, created personas, user flows, and journey maps.
- Designed pixel-perfect, responsive UIs for web and mobile.
- Built and maintained design systems for consistent handoff to developers.
- Collaborated with developers, marketing, and stakeholders to align on goals and deliver on time.
- Managed client interactions, feedback, and quick iterations to meet tight deadlines.
- Contributed to product strategy and improved usability for business impact.

Design Studio | Website Designer Mar 2023 - Oct 2023

- Designed and redesigned WordPress and custom websites for multiple clients.
- Created landing pages focused on conversions and brand consistency.
- Coordinated with clients, developers, and marketing to deliver projects on time.
- Handled design revisions based on client feedback and project requirements.
