

Product Designer with experience of 3 years, delivering 8+ MVPs, building scalable design systems, and designing end-to-end UX/UI for government, e-commerce, and SaaS platforms. Skilled in user research, prototyping, interaction design, information architecture, and cross-functional collaboration. Proven impact in reducing design-to-development turnaround, improving usability metrics, and supporting early-stage product strategy.

Experience

- Turbostart | Product Designer

Mar 2024 - Present

 - Delivered 8+ MVPs and built scalable design systems for government portals, e-commerce platforms, and B2B tools, cutting design-to-dev turnaround by 30%.
 - Led user research, personas, and journey maps that shaped 3 major product launches.
 - Designed responsive, pixel-perfect UIs for web and mobile, ensuring multi-platform accessibility and consistency.
 - Integrate AI-driven workflows into the discovery phase to synthesise user research data, accelerating the transition from problem definition to rapid prototyping
 - Built & maintained design systems that improved developer handoff accuracy and reduced rework by 40%.
 - Collaborated closely with developers, PMs, and stakeholders to translate product requirements into high-performing interfaces.
 - Drove design sprints and rapid iterations aligned with startup timelines.
 - Architected complex Information Architecture and delivered comprehensive handoff documentation (including redlines and functional specs),
 - Established system-driven design practices that scaled across cross-functional teams, Product Managers and Engineers.
- Design Studio | Website Designer/Developer

Mar 2023 - Feb 2024

 - Designed and redesigned WordPress and custom websites for multiple clients.
 - Created conversion-focused landing pages aligned with brand identity.
 - Coordinated with developers, marketing, and clients to ensure timely delivery.
 - Implemented feedback-driven revisions and improved UI clarity and user experience.

Education	Design Process	Tools	Languages
Master Of Computer Applications Present Mysore Open University	User-Flow Journey Card Sorting Information Architecture	Figma Rive Spline	English Kannada Hindi
Bachelor Of Computer Applications Oct 2022 Davangere University	A/B Testing Design Handoff	HTML/CSS VS Code Notion
